About the University

Academic Programs, World-Class Faculty, Degree programs: Arts & Humanities, Business, Cyber & Technology, Education, Health Sciences, Social Sciences, Nursing.

Wherever you are on your academic journey, our community is waiting for you to make your mark.

f t in

A list of available courses provided by the university is shown, here

Enroll

The screenshot shows the 'Enroll' page of a web application. At the top, there is a blue navigation bar with links: Home, Courses, My Courses, and My Profile. The current time is 9:50:24 PM, and there is a 'Log Out' button. Below the navigation bar, the 'Available Courses' section is visible. It contains a table with columns: Course ID, Course Name, Incharge Lecture, and Department. A modal window is open in the center, titled 'Enrollment Key:', with a text input field and an 'Enroll' button. The table shows one course: Course ID 'i2', Course Name 'Probability and Statistics', Incharge Lecture 'Nilushi', and Department 'Computing'. There is an 'Enroll' button next to the course name.

Course ID	Course Name	Incharge Lecture	Department
i2	Probability and Statistics	Nilushi	Computing

Student can Enroll to one or many courses by providing the Enrollment Key

My Courses

The screenshot shows the 'My Courses' page of the web application. The navigation bar is the same as in the previous screenshot. The 'Available Courses' section is now a table with columns: Course ID, Course Name, Incharge Lecture, Year, Semester, Faculty, and Department. The table shows one course: Course ID 'i2', Course Name 'Probability and Statistics II', Incharge Lecture 'Nilushi', Year '1', Semester '2', Faculty 'Faculty of Computing', and Department 'IT'. There is an 'UnEnroll' button next to the course name. The footer section is also visible, containing the company logo, contact information, and social media links.

Course ID	Course Name	Incharge Lecture	Year	Semester	Faculty	Department
i2	Probability and Statistics II	Nilushi	1	2	Faculty of Computing	IT

Once the student enrolls to a subject, the enrolled subject is shown in my courses page

Change Password

The student can view and update his details if the student wish to do so. Here the Username, NIC field are un editable

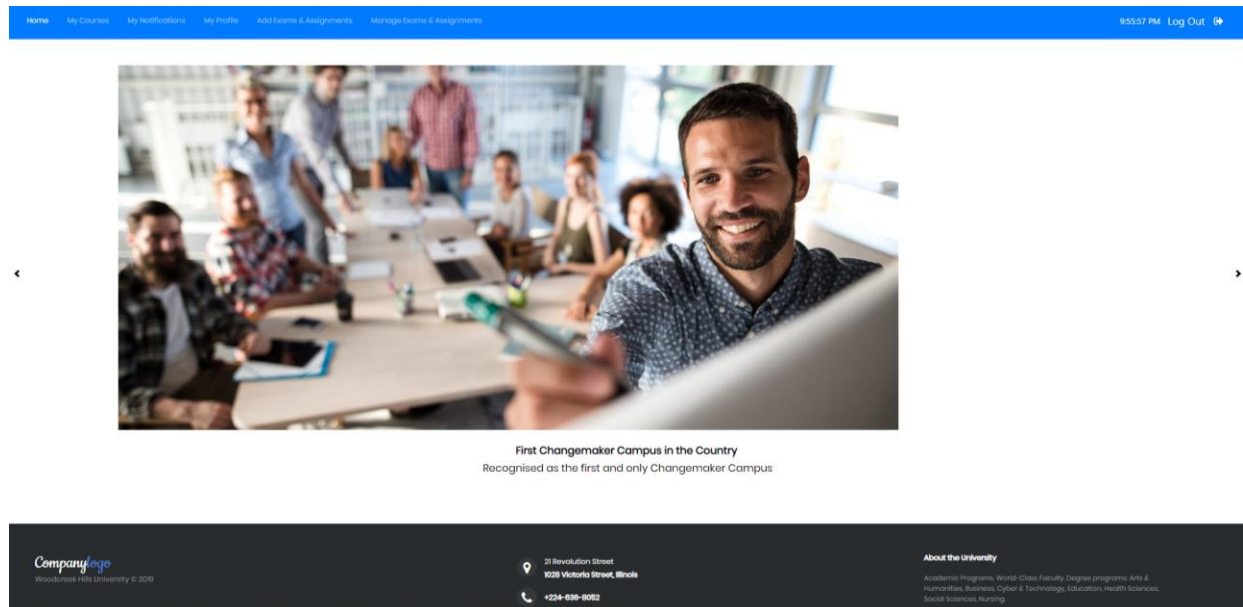

Student Change Password

The screenshot shows a student profile page with a dark blue header. The profile information includes: First Name: Ahmed, Last Name: Student Surname, Username: IT17043251, Email: onzolucis, Mobile: 07822344, NO: 8786685, Date of Birth: 05/04/2008, Select Faculty: Faculty of Computing, and Select your Gender: Male. A modal window is open for changing the password, with fields for Old Password, Password, and Confirm Password, and a Change Password button. The background profile page has a Change button and a Change Password link.

The student can change the password if he wish to do so . Here the user should enter the old Password and new password should be minimum of 8 characters and combination of Uppercases, lowercases, and Number

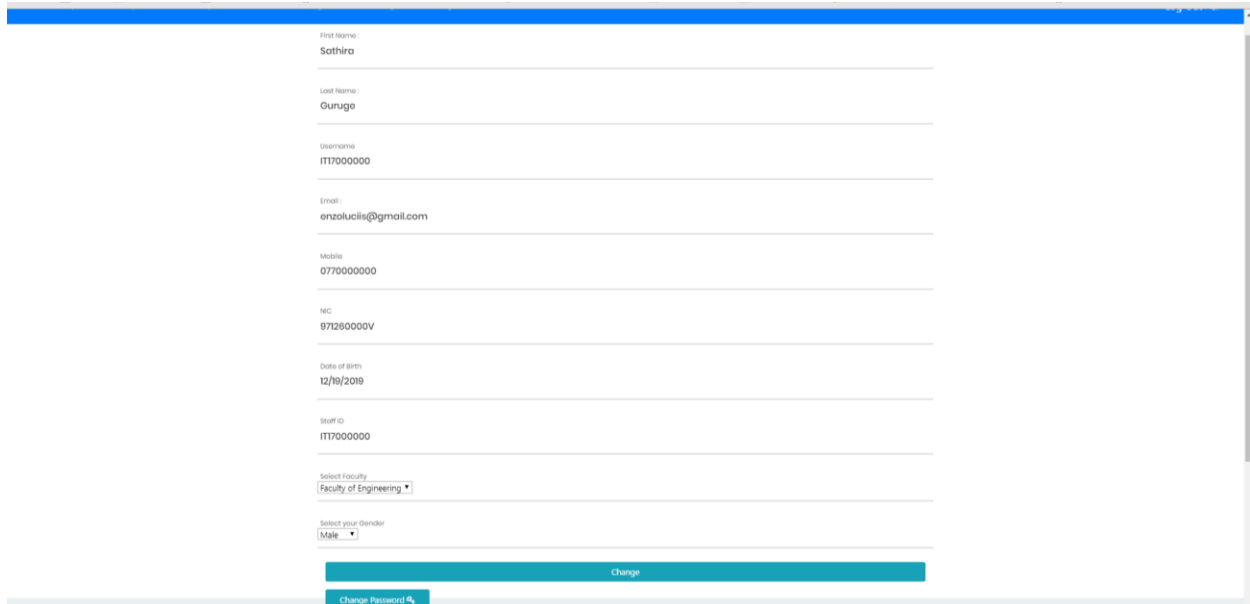

Lecturer Dashboard

The screenshot shows a Lecturer Dashboard with a blue header. The dashboard features a large slideshow of university photos. Below the slideshow, the text reads: "First Changemaker Campus in the Country" and "Recognised as the first and only Changemaker Campus". The footer includes the Company logo, contact information (21 Revolution Street, 1028 Victoria Street, Wrotham, +224-638-6052), and a list of academic programs (Academic Programs, World Class Faculty, Degree programs: Arts & Humanities, Business, Cyber & Technology, Education, Health Sciences, Social Sciences, Nursing).

Lecturer Dashboard shows a slideshow of university's photos

Lecturer Profile

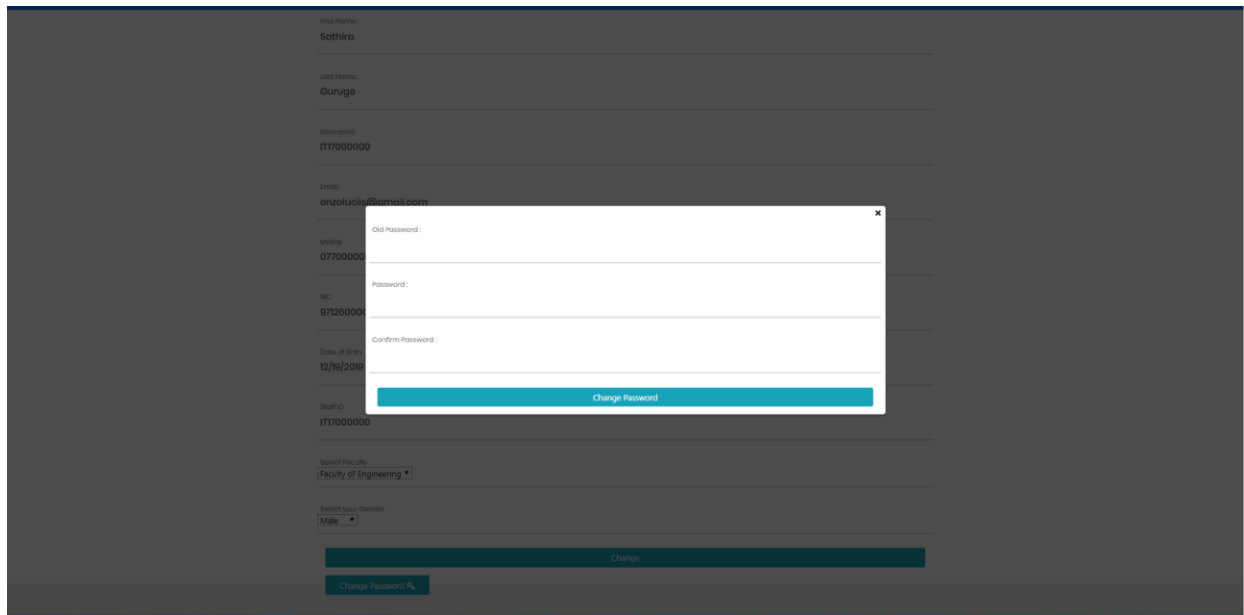

The screenshot shows a web interface for a Lecturer Profile. The form contains the following fields and values:

- First Name: Sathira
- Last Name: Guruge
- Username: ITT7000000
- Email: enzolucis@gmail.com
- Mobile: 0770000000
- NIC: 971280000V
- Date of Birth: 12/10/2019
- Staff ID: ITT7000000
- Select Faculty: Faculty of Engineering ▼
- Select your Gender: Male ▼

At the bottom of the form, there are two buttons: a large teal "Change" button and a smaller teal "Change Password" button with a lock icon.

The lecturer can view and update his details if the lecturer wish to do so. Here the Username, NIC field are uneditable.

Lecturer Change Password

The screenshot shows the same Lecturer Profile form as above, but with a modal dialog box open for changing the password. The dialog box has the following fields:

- Old Password:
- Password:
- Confirm Password:

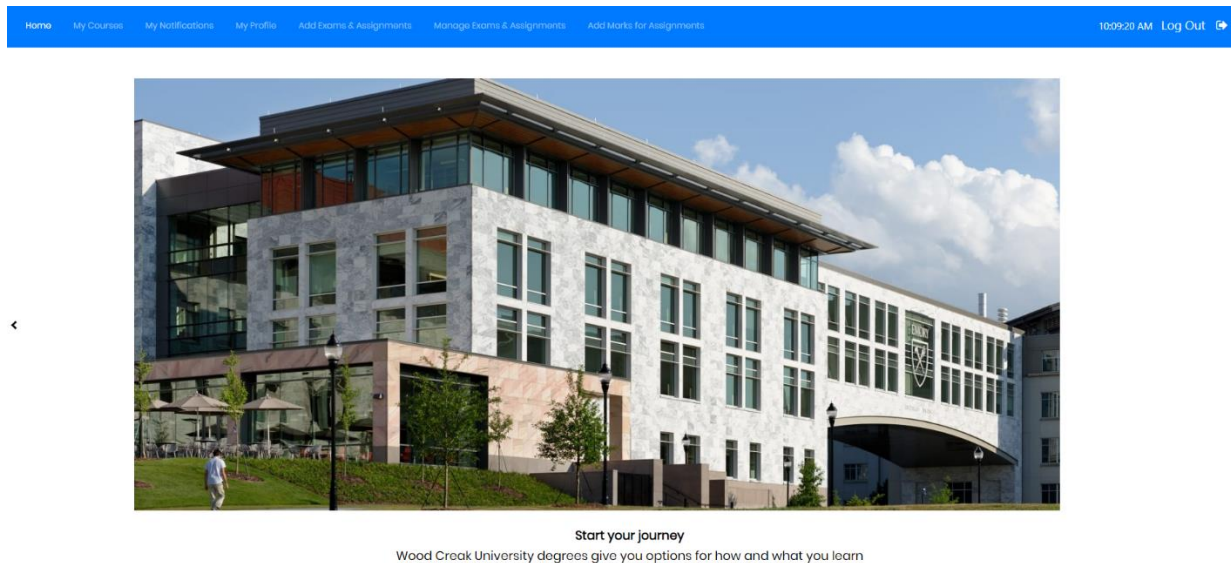

At the bottom of the dialog box is a teal "Change Password" button. The background of the profile form is dimmed.

The lecturer can change the password if he wish to do so . Here the user should enter the old Password and new password should be minimum of 8 characters and combination of Uppercases, lowercases, and Numbers.

Assignment and Exams Management

Lecturer has the privileges to manage the assignments and exams in the system. Students can then view the assignments and exams. Lecturers can give marks for students for their assignments. Following details shows how the operations and the functionality of the management of assignments and exams.
